Chance to Shine Street Cricket

Chance to Shine is a national charity that aims to give all children the opportunity to play, learn and develop through cricket.

Chance to Shine Street is a community based project and brings cricket to thousands of young people who traditionally face barriers to getting active. It uses the sport to increase aspiration, promote social cohesion and create opportunities in diverse communities and areas of deprivation.

The projects are run continuously throughout the year and will move inside or outside depending on the weather. Street projects are run national and Chance to Shine host regional and national competition which we would look to enter.
