THE COUNTY
GROUND
NORTHAMPTON

Northamptonshire County Cricket Club's long and successful history dates back to 1878, with its home ground set in the heart of Northampton. Its support and brand extend well beyond the county boundaries, across the UK and internationally.

The county competes across 3 different formats: Vitality Blast, cricket's shortest format, the Metro Bank One-Day Cup, a 50-over competition that is great for entertaining clients for the day and finally the Rothesay County Championship, the most traditional format, with fixtures played across 4 days.

A real success story of white ball cricket, the Northamptonshire Steelbacks mix it with the best and the club welcomes international stars to the squad each year. Following the home quarter final in 2024, the Steelbacks are looking to go one step further and reach finals day for the first time in 9 seasons.

2025 promises to be a big year for the club, be a part of it and elevate your experience at The County Ground.
